**WiseTech Global Limited Shares: Sale of 5.8million shares (2.0% of share capital)**

Today I have informed WiseTech Global Limited of the sale of 5,823,000 of my shares.

In line with the ASX announcement to market on 23 Nov 2017, I have taken this decision to sell a very small portion of my personal holdings to facilitate liquidity in relation to WiseTech's entry into the S&P/ASX 200 Index which will take place on 18 Dec 2017 – an important milestone.

I retain voting control over 154million WiseTech Global shares representing approx. 53% of issued share capital.

As part of the Block Trade Agreement for the 2% sale transaction announced today, I have agreed to escrow my large holding, subject to the terms and conditions of the Block Trade Agreement, until after the release of the Company's HY18 Results on 21 February, a commitment that I am, without question, more than happy to make.

I reiterate that I am a long-term holder and remain as ever firmly committed to WiseTech, our growth strategy and global expansion.
