Dear Sir or Madam,

### **MMA OFFSHORE LIMITED – 2017 ANNUAL GENERAL MEETING - WITHDRAWAL OF REQUISITIONED RESOLUTIONS**

On 25 September 2017, MMA Offshore Limited (**MMA** or the **Company**) announced that it had received correspondence from a substantial shareholder, Halom Investments Pte Ltd (**Halom**), giving notice that Halom intended to move certain resolutions under sections 249N and 203D of the *Corporations Act 2001* (Cth), including to remove both the Company's then Chairman and Non-Executive Director, Mr Anthony Howarth, and MMA's Managing Director and CEO, Mr Jeffrey Weber, as directors (**Notice**).

The resolutions the subject of the Notice are referred to as the **Requisitioned Resolutions**, and were included in the Company's notice of 2017 annual general meeting (**2017 AGM**) as Resolutions 4, 5, 6 and 7.

In accordance with ASX Listing Rule 3.17A.2, MMA advises that, earlier today, it received notice from Halom withdrawing the Notice and consenting to the Requisitioned Resolutions not being considered at the 2017 AGM. **Enclosed** is a copy of that notice; which, to avoid any doubt, was only given to the Company today (notwithstanding that it is dated 12 December 2017).

**Accordingly, the Company advises that the Requisitioned Resolutions have been withdrawn from the items of business to be considered at the 2017 AGM tomorrow and will not be put to MMA shareholders at that meeting.**

For completeness, set out below are the proxy voting instructions received in respect of the Requisitioned Resolutions<sup>1&2</sup>:

---

<sup>1</sup> Mr Howarth resigned as Chairman of the Board in October and retired as a Director of the Company effective from close of business on 30 November 2017. This was announced to ASX on 29 November 2017. Given that it is not possible for MMA's shareholders to vote on Mr Howarth's removal as director, Resolution 4 of the Requisitioned Resolutions was already redundant.

<sup>2</sup> The proxy instructions received on the Requisitioned Resolutions include the proxy votes submitted by Halom.
