For over 30 years Primary Health Care has been one of Australia's leading listed healthcare companies with a commitment to supporting quality, affordable and accessible healthcare for all Australians. Through an expansive network of multi-disciplinary medical centres, pathology laboratories and diagnostic imaging centres, Primary provides world class facilities and support services to independent GPs, radiologists, specialists and other healthcare practitioners, enabling them to deliver quality care to patients in partnership with Primary's pathologists, nurses and other employees. Primary's 'medical home' model makes healthcare services easily accessible and cost efficient, while enabling the coordination and continuity of patient care. At Primary Health Care we pride ourselves on quality outcomes for patients and aspire to cement our position as a leader in frontline care in Australia.
