Emeco addresses press speculation

Emeco notes the Australian Financial Review today published extracts from an early draft of a strictly confidential board document.

Emeco's management team constantly considers the Company's strategic position in order to maximise long-term value for our stakeholders and regularly presents various strategic options to the Board.

Although Emeco's policy is not to comment on speculation, Emeco notes it has not solicited, nor received, any proposals regarding a sale of the Company.

Emeco also notes that it expects its FY18 EBITDA to be in-line with current analyst forecasts.

Shareholders should not take any action in response to the press speculation.

The Company confirms that it has been, and remains, in compliance with its continuous disclosure obligations and will update the market in the event of any strategic decisions or transactions.
