

Dear Shareholder

## INVITATION TO PARTICIPATE IN SHARE PURCHASE PLAN

Following Actinogen Medical's recent successful placement to institutional investors which raised a total of \$15.0 million, including a \$10.5 million cornerstone investment from leading USA biotech investors Biotechnology Value Fund, L.P., the Board of Actinogen Medical Limited (**Actinogen Medical or Company**) is now pleased to offer eligible shareholders an opportunity to share in the ongoing progress of your Company by subscribing for up to \$15,000 in new Actinogen Medical shares, with no brokerage costs, through a Share Purchase Plan (**SPP**).

This SPP allows eligible shareholders to participate at the same price as the recent placement, being 5 cents per share. The SPP will be available to all eligible shareholders on a **first-come first-served** basis and **capped to \$2.0m** and is for the final discretion of Board of Directors.

The issue of shares under the SPP will be limited to 40,000,000 new fully paid ordinary shares (4.25% of the issued capital of the Company), and will not be underwritten. In the event of oversubscriptions, the Company intends (at its discretion) to scale-back applications based on the order of receipt of applications on a **first-come, first-served** basis.

The Officers and Directors of Actinogen Medical may take up all or part of their allocation under the SPP.

The Board is particularly excited by the potential of Actinogen Medical, and our lead drug candidate Xanamem™. Xanamem™ represents a novel approach to treating Alzheimer's disease – a condition with a significant unmet medical need that threatens to place a huge burden on society. It blocks the production of cortisol – the "stress hormone" – which appears to contribute to cognitive impairment, amyloid plaques and neural death - hallmarks of Alzheimer's disease.

Alzheimer's disease is the most common form of dementia and has a debilitating effect on patients and their loved ones. Alzheimer's is also growing rapidly: it is now the second leading cause of death in Australia behind ischaemic heart disease and the American Alzheimer's Association estimates that the direct healthcare cost of the disease was \$US250 billion in 2013, and by 2050, the cost of care for people with the disease is expected to be over \$US1 trillion, outstripping the cost of treating all other diseases.

With the development of our promising lead compound Xanamem™, we are hopeful of finding an effective treatment for Alzheimer's disease in its early stage, and the proceeds from this SPP will support this ongoing development of Xanamem

The objective of the SPP is to raise funds to advance the Company's development plan for Xanamem. This plan includes, among others, a study exploring a higher dose of Xanamem in Alzheimer's disease and studies conducted in alternative clinical indications. Expansion of the development plan for Xanamem into these new indications will enhance the value of the Company's data set.

# Actinogen Medical Limited - Share Purchase Plan Terms and Conditions

**This document sets out the terms and conditions of the offer under the Share Purchase Plan.**

## **Description of the SPP**

Pursuant to the Share Purchase Plan (**SPP**), Actinogen Medical Limited (**Company**) is offering its shareholders the opportunity to acquire additional fully paid ordinary shares in the Company up to a maximum value of \$15,000 at a discount to the market price of the Company's shares on the Australian Securities Exchange (**ASX**) without the need to pay brokerage or commission costs and without the need for the Company to issue a Prospectus, upon such terms and conditions as the Board of the Company in its absolute discretion sees fit.

## **Shareholders Eligibility to Participate**

Participation in the SPP is open to each person registered as a holder of ordinary shares in the Company on 22 May 2018 (**Record Date**), who has an address in Australia, New Zealand, France or the United Kingdom (**Eligible Shareholders**).

Due to foreign security laws, it is not practical for shareholders who are resident in other countries to participate under the SPP.

Participation in the SPP is optional and is subject to these terms and conditions. Offers made under the SPP are non-renounceable (ie Eligible Shareholders may not transfer their rights to shares offered under the SPP).

Joint shareholders are taken to be a single registered holder for the purpose of the SPP, and the joint holders are entitled to participate in the SPP in respect of that single holding only. If the same holder or joint holders receive more than one offer under the SPP (for example if a holder has more than one holding under separate accounts), that holder or those joint holders may only apply for an aggregate maximum parcel of shares between any joint or individual holdings.

Trustees and nominees are able to apply for one maximum parcel of shares under the SPP for each beneficiary that is expressly noted on the Company's share register as a trustee or nominee for a named beneficiary. If the Company's share register does not record a named beneficiary in respect of the trustee or nominee holding, or the shares are held by a custodian, the trustee, nominee or custodian must give the Company a certification which complies with Class Order 09/425 if it wishes to apply for shares on

behalf of multiple beneficiaries under the SPP. Please contact the Company to obtain a copy of this certification required.

By electing to participate in the SPP, the shareholder will be deemed to have certified to the Company that in respect of that shareholder, at the time of the application, the total price does not exceed \$15,000 for:

- shares the subject of the application under the SPP;
- any other shares applied for under the SPP or any other shares issued under any similar arrangement in the 12 months before the application under the SPP;
- any other shares that the shareholder has instructed a custodian to acquire on their behalf under the SPP or that have been issued to a custodian under an arrangement similar to the SPP in the 12 months before the application under the SPP on the instruction of the shareholder and that are held beneficially by the shareholder.

Furthermore, shareholders will be deemed to have confirmed, in relation to all shares applied for by them under the SPP, that they do not make application for any other person in circumstances which might involve any breach of securities law of any jurisdiction other than Australia, New Zealand, France and the United Kingdom and have agreed to be bound by the Company's Constitution in respect of all the shares issued to them under the SPP.

## **Issue Price**

The issue price of each share issued under the SPP is \$0.05 which represents a 0.29% discount to the volume weighted average market price of the Company's shares on the ASX calculated on the next day on which sales of shares in the Company were recorded after the date of announcement of the SPP.

The market price of shares in the Company may rise or fall between the date of this offer and the date that shares are issued to you under the SPP. This means that the issue price that you pay for the shares may be greater than or less than the market price of the shares at the date of issue of the shares under the SPP. Accordingly, you should seek your own financial advice in relation to this offer.

## **Application and Notices**

At the discretion of the directors of the Company, Eligible Shareholders will be sent a letter of offer, terms and conditions and an application form, inviting them to subscribe for shares under the SPP.

Eligible Shareholders may apply to purchase a parcel of shares under the SPP valued at any one of \$2,500 (50,000 shares), \$5,000 (100,000 shares), \$10,000 (200,000 shares), or \$15,000 (300,000 shares).

If an Eligible Shareholder subscribes for an amount which results in a fraction of a Share, such fraction will be rounded down to the nearest whole Share.

If you wish to participate in the SPP you must complete the attached personalised application form and provide payment in accordance with the instructions set out on the application form. Alternatively, you may pay electronically using BPAY and quote your reference number that has been provided on the personalised application form, in which case you do not need to return the application form.

Applications will not be accepted after 11 July 2018.

The Company reserves the right to reject any application where it believes there is non-compliance with this rule or any other terms or conditions of the SPP.

Applications and payments may not be withdrawn once the Company has received them. Oversubscriptions or refunds of other application monies in any circumstances will be without interest.

By returning the application form or by making the BPAY payment you are giving the Company the certifications in these terms and conditions and in the application form.

#### **Scale-back**

The Company does not intend to issue more than 40,000,000 ordinary shares under the SPP. If applications for more than 40,000,000 shares are received, the Company may, in its absolute discretion, undertake a scale-back to the extent and in the manner it sees fit and a shareholder may be issued a lesser number of Shares than applied for. The Company intends to scale-back oversubscriptions on a first-come first-served basis. Any scale-back will be announced on 13 July 2018. If the Company scales-back an application or purported application, the Company will promptly return the relevant application monies to the shareholder, without interest.

#### **Underwriting**

The SPP is not underwritten.

#### **Shares Issued under the SPP**

Shares issued under the SPP will rank equally in all respects with all other ordinary fully paid shares in the Company from the date of issue.

Shareholder holding statements and/or CHES notification will be issued in respect of all shares.

After the issue of shares under the SPP, the Company will make application for those shares to be listed for quotation on the official list of the ASX.

#### **Modification and Termination of the SPP**

The Company may modify or terminate the SPP at any time.

The Company will notify ASX of any modification to, or termination of, the SPP. The omission to give notice of any modification to, or termination of, the SPP or the failure of ASX to receive such notice will not invalidate the modification or termination.

#### **Dispute Resolution**

The Company may settle in any manner it thinks fit, any difficulties, anomalies or disputes which may arise in connection with, or by reason of, the operation of the SPP, whether generally or in relation to any participant or application, and the decision of the Company will be conclusive and binding on all participants and other persons to whom the determination relates.

The Company reserves the right to waive strict compliance with any provision of these terms and conditions. The powers of the Company under these conditions may be exercised by the directors of the Company or any delegate of the directors of the Company.

#### **Contact Details**

If you have any questions regarding the SPP or how to deal with this offer, please contact your professional advisor or stockbroker.

If you require information on how to complete the application form please contact the Company's share register on 1300 554 474.
